~~They were still~~

Appleton (who had loaned the Star Spangled Banner in 1909) made the flag a permanent gift to the Smithsonian. The Smithsonian had a Boston flag restorer named Amelia Fowler to apply her patented sewing technique to the banner.

She & her assistants removed an old canvas backing that had been

series on in 1873 and added in a new
series looking over the road and
making the things things that fall.
those have things in the front of the
